FAX-2950

Introducing the Brother Business Monochrome Laser Fax with built-in handset.

The compact all-in-one laser fax machine with a built-in handset, up to 24ppm print speed and 500 page memory transmission.

- Get outstanding quality with high resolution at 2,400 x 600 dots per inch (dpi)
- Ease of mind with 500-page Out-of-Paper Reception
- Increased efficiency with up to 24ppm A4 print speed and high speed fax transmission of up to 33.6Kbps (Super G3)
- Increased productivity with 20-sheet Automatic Document Feeder (ADF)
- Reduce risk for loss of data with the Memory Backup function

Brother Business Monochrome Laser Fax with built-in handset.

Brother's monochrome laser fax can deliver outstanding results in a short time with superior technology and innovative features. Performing with incredible strength and efficiency you can rely on this compact machine for all your professional needs.

Reduce the hassle with 222 contacts stored and gain quick access to frequently dialled numbers. Its fast print speed of up to 24 pages per minute (ppm) means you get your faxes and printouts guick. PC Fax send and receive feature also means you can preview faxes before printing thus eliminating printing of junk faxes and translates to saving paper.

Achieve an immaculate finish with high quality printouts of up to 2,400 x 600 dots per inch (dpi) to win your clients over and take your presentations to the next level. The FAX-2950 complies with the strict ENERGY STAR environmental standards, ensuring low energy consumption, low noise levels and a recycle-friendly design.
